5. Matters Arising

- Frank Potter had not yet had an opportunity to approach Sizewell C about funding for the repairs/replacement of the front and back doors.

ACTION: Frank to approach Sizewell C

- Sue Pipe had been unable to locate the stopcock which needs insulating and been advised to contact the Fire Brigade. Barry Rowing kindly offered to find it.
- Radiators – though these can be controlled remotely via an app, the wifi coverage seems limited. The Wifi extenders Lisa had donated only work with BT lines so Frank will look into obtaining some compatible with our system.
- Over 55s Fitness: Zoe Horlock reported on te first sessions. The instructor was late and it was not felt that she was particularly good. She asked no health and fitness questions, nor anyone’s names. She kept changing CD’s in between exercises. Zoe outlined an idea to run this with Lisa thus saving the fee and making the grant go further, and will report back on this.
