

## **Peasenhall Gents Club - info for PPC annual report**

We are a group of 60 something, fun loving, intelligent, chatty men who meet fortnightly for tea/coffee (excellent) cake and banter, in the Methodist chapel room. In the absence of a better descriptor, we are known as the Gents Club/Group, though unofficially we are also also described as the old gits. We meet on the first and third thursday of the month at 2.30 to 4pm. We occasionally have speakers and topics, though generally we have too much to say, rather than not enough. Discussion ranges from local and national politics, cycling, heart surgery, motor mechanics and sailing. New members are always welcomed even if they are from Yoxford and now Halesworth.

Ladies/Women – tell that old boy in the armchair in the lounge to give you a break, and send him to us. We'll teach him how to Hoover and mop properly and how to make a main meal.
